Walter Gropius - Aus der ersten Selbstdarstellung des Bauhauses mit dem richtungweisenden Programm, unterzeichnet vom Direktor Walter Gropius. Sam never lost his foul mouth or his crudity, right up to the end he said some things which were just awful and almost unforgivable.

## **The Picture of Dorian Gray (Illustrated)**

Everyone behaved in alternating patterns of rage, disgust, and depression, and the love story was overshadowed by Aubrey's idiocy when it came to her own romantic feelings.

## **Resident Alien #0**

On several occasions Montero has commented that one of the challenges facing women writers is that of creating new myths that would broaden our cultural horizon, currently dominated by male-generated myths, and in *Bella y oscura* she has rewritten both Plato's parable of the circular beings who existed prior to the division of humans into male and female halves, and the story of Paradise and expulsion from it. If you have completed diploma courses at another institution, you must submit transcripts and course descriptions to the School of Liberal Arts and Sciences.
