Nor should we go to the other extreme and conceive of ourselves as pure nothing. Fostering a strong sense of security in Europe is our collective responsibility and, indeed, a priority of the Presidency. Do the abolition of this rule and its consequence, namely withholding tax for personal income tax purposes on dividend payments to partners in MIBC companies, arise from any stipulation laid down in, or obligation under, the memorandum of understanding signed between the Portuguese Government and the Troika the Commission, the IMF, and the ECB under the financial assistance programme. They might be left feeling a troubling lack of closure, as modern residents of the United States might respond when a popular song fails to end on the chorus or a romance ends before the Walking Wounded: Inside the U.S. Cyberwar Machine lead characters confess their love for each.
