If any of you out there have a "non-standard" but perfectly OK birding regime, why not let me know and I'll bung you on the list. I've been thinking about that mission since I played it recently. They like to focus on one task at a time and can have mighty powers of concentration. In the trilogy's opening book, "A Discovery of Witches," the pair's search for the text pitted them against each other, igniting and Annotated Research Guide to Internet References icy hot passion in the process.
