Why Pascal is not my favorite programming language

Fifteen minutes until midnight.

The Serial Killers

It includes the important principle that if we are to protect the environment and public health, we must implement the best technologies that scientific and technological advances can provide us with in our production processes, especially those which have a greater environmental impact. Health Gibson, S.

Principles of Structure, Fifth Edition

Check-out - Children and beds Children are welcome. Authors may struggle to find the perfect category for this theme.

Annie and Her Soft, Velvety Ears

Being posthumous, these letters have an acknowledged interlocutor but also, clearly, are addressed to the reading public as the vehicle for preserving and handing down the memory of deceased loved ones - in the tradition of testimonial literature but also of personal memoirs. Regie: Hans Wolff.

Affirmations and daily encouragements

We need to have a worldwide financial system whereby everything bought and sold is through electronic means, not cash. Skeptical Inquirer.
