## The Latymer Verses

Into his mind came the thought that his having been lost and frightened in the darkness was an altogether unimportant matter. Instead of spending energy trying to justify every point of the feedback, it is imperative to listen to and then discuss with who is giving feedback the evidences from each point - if the leader does not present them - and, especially, to discuss development actions, because the Feedback has the purpose of development, and to develop it is not enough just to listen, but to work hard for changes and improvements.
