I decided to on the condition that I could write whatever I wanted in it. This reflects escalating literary productivity, but also privileges modernity and contemporary relevance, to the extent, for instance, that not much less space is given to "il classico del secolo" Montale 41 pages than to Petrarch 43 pages. It's splendid stuff and the book is highly recommended. We call them adjectives because their office is to modify, Und because every noun that modifies is an adjective.
