Phimosis is a condition of the male foreskin where the skin is tight and unable to retract back behind the head of the penis. There is an order in everything, some feathery lightness. That is for Africans slaves, not freeborn British ladies. While his bebop playing had established his reputation among musicians and jazz bands, I knew bebop would never connect on a large scale. This mixture of security, identity and of the encounter. Is my mother ok. I know I have done it many times, and always feel a little awkward showing up at a nice dinner with the bottle in a brown bag that makes you look like a bum. Florian Sempey is fantastic. I thought I knew it.
