ThougeschewingtheprimitivecommunismoftheearlyChristians,healsore Sergei Barsov is wearing ski goggles when he starts to chase Bond on skis. A Disequilibrium-equilibrium model with money and bonds; a Keynesian-Ualrasian synthesis. This should make your target think that you must be a friend or acquaintance, even though he or she does not recognise you. Only to be shot at on his way back by an unknown assailant in hiding and then arrested manu militari by a large group of isolated and very irate prospectors who promptly put him on trial for murder, in true frontier-justice style prevalent in those parts, as the unknown shooter had also shot down one of theirs while leaving no trace of his presence. The photo below captures the reflection of a tree in shallow water.
